ACTIVITIES

No love, no friendship, can ever
cross our path without affecting
us in some way forever.
Eric Fromme

As always, MHS had a year packed with loads of excitement and fun. Students gathered at two Homecoming games. Two Homecomings? That's right! As usual, one was the Football Homecoming where Angie Limon was crowned Queen. The other was the first Basketball Homecoming. Pat Diaz, senior, was crowned Queen, while the team won 65-46. The Prom, Donkey Basketball and other activities proved to be stupendous. Clubs were also successful. Annual staff was one that made it through the year grandly while Scribe wrote their hearts out touching many students. The joys and memories of this year's activities will long be cherished within the hearts of all Oilers.

Student council spurs new activities

With the coming of high school, many new facets of life evolved. There were times when high school was really a challenge, like during finals. And at other times, high school seemed rather smooth and enjoyable (especially when you had a loved one to enjoy high school with). But the neat thing about high school was that no matter how rough times became, there were still more good times to remember.

High school is a paradox in itself. For on some days, how we wished graduation would come quicker! But now that it is here, we sometimes wish it could have come a little slower. But "life goes on". So we are faced with newer and broader challenges. And in order to accept these challenges, one does not have to be "Superman". Friends, remember this: "If we apply the things we know to the things we foresee, then the result can only be one thing—SUCCESS." I love you all in Christ Jesus.

God be with you all,

Manuel J. Arreguin

5. A.S.B. Secretaries, Jerry Chen, Secretary of Publicity; Missy Diaz, Secretary of Clubs; Nick Shubin, Secretary of Athletics; Donna Hamutoff, Secretary of Activities; Bentley Soo Hoo, Secretary of Finance.

3

4

5

"Get to order!" shouted Vice-President Edwin Vega as he pounded his gavel on the desk. Class representatives and cabinet members slowly started to settle down. Then as issues were raised, yelling started and confusion began.

Having more activities, raising more money, and uniting the school were the goals of this year's ASB. More publicity was given to all sports, clubs, and events. Thanks to our ASB, the school was usually in high spirits.

Hillbillies danced the evening away in the November girl-ask-guy Sadie Hawkins Dance sponsored by Girls' League.

The punk rock band, Stage Fright, provided a different tune for students to let loose and punk out. The hoedown also offered many club-sponsored booths such as the marriage booth, the jail, and the picture booth. Kathy Simon was crowned Daisy Mae, while Brad Amano became Lil' Abner.

Chandeliers hung from the ceiling as candles gave off a soft glow. As the beat of the music started, couples got to the floor and danced. Such was the scene of the first Winter Ball January 25.

The dance was held off campus at the "Belle 'n' Beau." Everything from disco to slow, romantic music was played by the band "City Life." The floor was constantly filled with the girls in their evening dresses dancing with the guys in their suits.

The highlight of the dance was the crowning of each class queen with Pat Medina chosen as Senior Queen while Dolores Salazar, Elena Ornelas, and Julie Figueroa were picked as Junior, Sophomore, and Freshman Queens respectively.

As the evening ended, couples departed filled with memories of this enchanting night.

Never
to be
forgotten

The Junior-Senior Prom . . . the evening all students dreamed about! This year the Prom was held at the Marriott Hotel in Los Angeles, May 24.

Inside the hotel, as students in their formal attire filled the tables, anticipation grew for the announcement of the Prom Queen. A Prom King was also chosen this year. As the night continued, couples danced to the music provided by the group "Aja." This lovely evening was surely "Never to be Forgotten" by all who attended.

It was 7 o'clock in the morning and three dozen Rigettes, some dressed in curlers and bedroom slippers, began an hour of practicing halftime, pep rally, and parade routines. Usually, the girls took three months to learn a routine for a parade. They took only two or three days to learn a pep rally routine.

The time the Rigettes spent perfecting parade routines was well worth it, as evident by their number of awards. They won Sweepstakes at the Rosemead Parade and first place at the Glendale Parade. At Mission Viejo, the Rigettes won third place. They came in fourth at the Arcadia Band Review.

Supervising the Drill Team was Mrs. Vivianne Butt, who had the job of organizing all activities. Also overseeing the Rigettes were Captain Valerie Juarez and Co-captains Cheryl Carrejo, Carrie Hoshino, and Larua Mares. Together they coordinated the routines and taught them to the girls.

Even with all of the time spent practicing, the Rigettes were usually in good spirits. Ann Miyataki commented on being a Rigette: "It gives us confidence in ourselves. We meet a lot of people and make new friends."

Homecoming . . . a day of memories

2

4

It was late and a dozen hastened workers were frantically gluing paper flowers on cardboard, blowing up balloons, and trying desperately to make a ring out of gold foil. "Let's hurry!" yelled one in fury. When finished, the floats were very creative, with first place going to the "Trash the Titans" float made by the Band and Ridgettes.

The dazzling floats weren't the only thing featured. Spirit Week included such activities as lively pep rallies, a championship volleyball game, and a festival. Many festival booths dotted the mini-amusement zone behind the football bleachers. A dart throw featured pictures of teachers as targets, while in the dunk tank, students plunged helplessly into tubs of water as other students tripped the release levers by hitting targets with baseballs.

Homecoming was a success until the Oilers played a disappointing football game, losing to the Pioneer Titans 7-0. Danny Garcia was crowned Homecoming King, but the highlight of the day was the crowning of Angie Limon, the Homecoming Queen.

2. Elaine Chacon crowns Danny Garcia, Homecoming King.
3. Lots of hard work and long hours pay off for the award winning Band and Ridgettes float.

Students started changing their clothes in the buses as excitement filled the air. Later, girls got their hair put up while the guys had their hair cut if too long. Paper bags were put over feet to keep shoes spotless and the Band Booster came around to make sure everything was perfect. This could only be the Montebello Marching Band in preparation.

Directed by Mr. Covellone, the Marching Band won first place in both the Rosemead parade and the Mission Viejo Band Review. In the Chino parade, they won second place. One of their great performances was in the Glendale parade where they won the Sweepstakes and the Music Awards. Great distinction was earned by the Band in many parades.

Happiness is . . .
bringing in a new decade with a song

If one walked in the C-building during third period, he would have probably heard the sweet sound of beautiful music flow from the choir room. Ms. Eastman, the new choir director, led the choir in exciting performances.

The new and old voice groups performed the first annual Pillow Concert which featured popular songs. Holiday music was presented in the Winter Concert, and the Golden Keys and the Hi-Tones performed in an Ice Cream Social. There was also a Spring Concert and a series of choral festivals.

Seniors pummel Juniors, 14-0

"28, 42, 12, hike!" The quarterback hurled the football to the receiver, who ran past the 30-yard line and was stopped by the opposition. A raising of the receiver's helmet revealed that it was . . . a girl! And so were the other players! In this year's Powderpuff Football game, the senior girls trounced the junior girls 14-0.

Amidst the clatter of typewriters, a page editor cried, "My page goes to press in two hours and I'm not going to be ready!" Nearby, the copy editor shouted, "This story needs a rewrite!"

Meeting deadlines, writing and proofreading stories and thinking of headlines were just a few of the problems mem-

bers in the Advanced Journalism Class faced in producing the *Derrick Diary*. The changes the *Derrick Diary* staff made this year included being more informative and still entertaining. They also gave more publicity to school events to increase student involvement.

Headaches and screaming were common in C-40 as Annual Staff worked hard in producing the annual. Through pica rulers and typesheets, headlines and captions, layouts and gallons of correction fluid, the staff made one of the best yearbooks dawn.

This year's annual featured more color pictures with the entire senior section and certain pages in the activities and opening sections in color. This was the first year Mr. Richard Antekeier served as advisor. Although staff members worked hard, they received the satisfaction of producing 272 pages of MHS memories.

As donkeys trotted into the gym, seniors discussed last minute plans to defeat the faculty in the grueling Donkey Basketball game February 5.

The seniors got off to a great start and during halftime, they led 26-16. But as the battle continued, the faculty gained strength. With ten seconds left in the game, the score was tied. Then the faculty put in the winning basket and won 42-40.

Exploring the minds of creative students was the main job of Scribe, Montebello High's illustrated literary magazine. Scribe gave students a chance to freely express themselves in the form of poems, stories, and artwork.

Because of additional funds this year, Scribe didn't have to conduct fund raisers such as bake and candy sales as they have in the past. The finished publication of Scribe was sold in early June.

World in review

Here we are at the beginning of a new decade. We experienced much in the last years. Joy and pain, laughter and tears, the normal and the bizarre, and the horrifying and the beautiful were all met by us, but we survived.

The year was 1970. National Guardsmen shot students at Kent State. More blood was spilled in the new decade as Richard Nixon ordered the invasion of Cambodia. Joe Frazier won the heavyweight championship from Jimmy Ellis.

United States and Chinese relations were improved in 1971. In the U.S., eighteen-year-olds were given the right to vote while the controversial Pentagon Papers were published against government's wishes.

1972 brought a new wave of terrorist activities. Nine members of Israel's Olympic team were killed by Palestinian terrorists. Public men like Italy's ex-Premier Aldo Moro were kidnapped and murdered.

Times were changing. The onslaught of the Watergate scandal took place in 1973 as President Nixon's career shattered. Also in 1973, U.S. involvement in the Vietnamese war was ended and Vice-President Spiro Agnew resigned and was succeeded by Gerald Ford.

The kidnapping of Patty Hearst and the Sim-bionese Liberation Army headlined the news in 1974. President Nixon resigned from the White House and was faced with criminal charges. His successor, President Ford, granted him a pardon. Hank Aaron broke Babe Ruth's record with his 715th home run.

In 1975, Patty Hearst and S.L.A. members were arrested and President Ford was the object of two assassination attempts. American troops pulled out of Vietnam. Meanwhile, Donna Summer was crowned Queen of Disco as a new trend began.

An unknown governor from Georgia, Jimmy Carter, became our new president in 1976. U.S. Viking robots failed to detect life during two landings on Mars. In the starlight was Peter Frampton, who topped the charts and grossed \$50 million.

During 1977, Egypt and Israel were brought together for the first time in history. Lou Brock broke Ty Cobb's record by stealing his 893rd base. New York City shops were looted during a 24-hour black out.

In Guyana, the Reverend Jim Jones led 914 members of the People's Temple to death. The same year, 1978, brought the world's first test tube baby. John Travolta boogied into a new craze as 27 million copies of Saturday Night Fever were sold.

An historical visit by the Pope to the United States and the return of the Ayatollah Khomeini were seen in 1979. Bjorn Borg won his fourth straight Wimbledon title. Gasoline in the U.S. rose to over a dollar per gallon. A major radiation leakage occurred at the Three Mile Island nuclear power plant.

As you can see the 70's have been full of astonishment. Hopefully, what we learned in the 70's will help us face the 80's with high hopes and high goals. We must remain cognizant that he who forgets the past is doomed to repeat it. But what can we expect from the 80's? Only time will tell!

Sports

Far away there in the sunshine
are my highest aspirations. I may
not reach them but I can look up
and see their beauty, believe in
them, and try to follow where
they lead.

Louisa May Alcott

MHS sport teams got off to a pretty good start for a new decade. The Cross Country team gave their opponents a tough time and finished in third place, while the girls' tennis team won a CIF play-off berth. The football team displayed their best effort which should be a great asset for them next year. Although the basketball team came up a game short to get into the play-offs, they still had a good season record. As always, the soccer team performed superbly and reached the play-offs. The boys' tennis team, though quite young, played greatly, while the talents of the baseball team gave opponents a run for their money. All other sport teams gained experience and thus, they should be ready to tackle the Whitmont league next year.

Co-captain Mike Baltierra was chosen as this year's football superstar. In three years on Varsity Football, he was named as All-Whitmont League offensive and defensive tackle in his junior and senior year. He was also All-West San Gabriel Valley League offense.

Mike's best game was against the La Serna Lancers when he recovered a fumble on the one-yard line and saved our Homecoming victory. "I really enjoyed playing football at Montebello, especially being part of one of the best defenses in the league," he added.

For the future, Mike planned to attend East Los Angeles College and continue to play football, but his major was undecided.

The games in which Jeff felt he displayed his best performance were against South Pasadena when he scored six goals and when he got five goals against El Rancho.

Nighswonger's other interests were skiing, surfing, and sailing, which he lightly termed his "three s's". Jeff's future plans included attending Cal State Long Beach in hopes of becoming a nutritionist.

Harriers compete in C.I.F. prelims

SENIOR SUPERSTAR

Since her freshman year, Vicky Calderon has been on the Varsity Cross Country Team. Practicing three hours daily after school helped Vicky achieve her fastest time in the two mile run at 13 minutes, eight seconds.

Other activities that Vicky participated in were JV Basketball for the last three years, Varsity Track, FCA, Girls' League, and the Montebello Police Explorers.

Miss Calderon's future plans were to attend ELAC and major in either Police Science or Physical Education. She also planned to continue running after high school and hoped to achieve her goal which was "to get faster times in the two mile run".

1

SENIOR SUPERSTAR

Running for five hours may seem like hard work to many, but for Sergio Vergara, it was a part of his daily training. His fourth year on Varsity Cross Country, Sergio dedicated "this year's running to my late close friend, Mike Baragan".

Also on the track team, Sergio Vergara has many trophies and medals to show for his enthusiasm in running. In addition to running, Vergara has been involved in many other activities. He was a class representative in his freshman, sophomore, and junior years. Sergio also belonged to the M-club and FCA. "I've really enjoyed the four years of high school," commented Sergio.

Vergara's future plans were to go to college and major in cosmotology.

Lori got to be number one singles player on varsity by "smashing" the ball two hours a day. Miss Nishiyama claimed that her best game was when the team played Whittier this year. "We've never beaten Whittier. That was the first time," stated Lori.

Some of Miss Nishiyama's other interests were art and sewing. She also enjoyed playing softball and volleyball. Her career goal was to become a physical therapist.

The first thing I noticed
 as I stepped out of the car
 was the heat. It was a
 relief, a warm blanket
 after the cold of the
 north. The air was thick
 with the scent of
 flowers and the sound
 of laughter. I felt like
 I had found a new home.

SENIORS

The road was long and weary, but we've made it. Our future lies ahead of us, our past behind. Our friends and our accomplishments will be part of us forever. Remember the times we shared together, the tears, the sorrows, the joys, and the triumphs.

We are entering into a new dawn, a new life. May each of us continue to grow and succeed in all we do.

Dear Class of 1980, the time has come to say good-bye. May you fly with fully extended wings and reach the bluest part of the sky.

free at last,

The Class of 1980 Representatives spent countless hours planning various activities and fund raisers.

Scenic Lake Tahoe was chosen as the site for this year's Senior Snow Trip and Grad-Nite was held at Disneyland. At the Powder Puff football game, the gals pulled the old switch-ola with the guys once again.

A "Rocktober" dance, the first of the major fund raisers, a Mum sale, and a goldfish--ping-pong booth at Homecoming helped finance the activities scheduled for the school year.

This year the Senior Reps conducted their business differently and tried a new approach. They based all their decisions on what their class preferred by distributing questionnaires and organizing several class meetings.

"This year our main goal was to strive for more participation and more involvement in our school," concluded Miss Van Loon.

IN MEMORIAM
George Kolecany, a senior, passed away Oct. 14, 1979. He was 16 years old.

Born Nov. 29, 1962, George attended Greenwood Elementary School. Later, George went on to Montebello Intermediate School. In 1976, he graduated to Montebello High School.

At MHS, George was involved in Soph-Frosh, JV, and Varsity Baseball. He also played basketball in his sophomore year and belonged to the FCA during all of his high school years.

"George was a happy-go-lucky guy . . . He couldn't go five minutes without making someone laugh," a close friend remembers. "His friendship was really good." A former teacher, Mr. Robert Henke, comments, "He had a fine sense of humor and was very friendly."

George Kolecany left behind memories of cheerfulness and friendliness to all his fellow classmates.

Free to enjoy life

Four years have passed
We are now that class,
That class of "80."
Since "76", we looked on
with great aspirations.
We had our eyes set,
Hoping for the best,
When all would come to rest,
Waiting patiently as graduation nears
Soon to be free,
Free to enjoy life
As was meant to be.
*Fulfilling Dreams,
Achieving goals,
and obtaining happiness.*
As we now leave
with pride and dignity,
May we live till eternity,
with wisdom and intelligence.

Climb high,
climb far,
your goal the sky,
your aim the star!

How many more years to go? One, two, and maybe three? Undergrads, your time spent in high school is very precious. Cherish every moment, every friendship, every smile. Once you become a Senior, it is impossible to relive the time already passed.

Once you become a Senior, there are a hundred decisions to make. Should I go to college? Where should I go? What to major in? Decisions and more decisions!

Take your time, don't hurry. The time will come, don't worry. Make the moments you have now last forever.

JUNIOR REPRESENTATIVES

During the summer while most people were having fun, the Junior Representatives *Maxine Gutierrez*, *Brad Amano*, *Janet Cortez*, and *Debbie Giamformaggio* were hard at work planning activities.

The Representatives' main assignment was planning the Prom, which was held at the L.A. Marriott. The first Junior Recreation Day was planned to be held at Disneyland. The many fundraisers included selling "Mighty Junior" T-shirts, Homecoming boutonnieres, and Christmas corsages.

The success of the Junior Reps. was attributed to their togetherness. "We're like a family," explained Maxine Gutierrez. Janet Cortez added that the Junior Class did their part. "They have spirit, and they have power."

SOPHOMORE REPRESENTATIVES

"Sophomores, we need your support!" was the cry of the Sophomore Representatives *Mark Hernandez, Laura Diaz, Christine Lopez, and Pat Valdez*. Together, the Representatives battled apathy and lack of involvement in students.

At the beginning of the year, they sold sophomore class T-shirts to raise school spirit. This plan, however, did not raise many funds. "We still have a lot left," complained Laura Diaz.

The Representatives also planned something new this year, Basketball Homecoming, which was held in February. Unlike the Football Homecoming, queens from each class were crowned.

Commented Mark Hernandez on participation, "This year is getting better. Next year, I hope to have a really crazy class."

FRESHMAN REPRESENTATIVES

Led by the Freshman Representatives *Jesse Felix, Minnie Atilano, Anthony Corral, and Weller Wong*, the Freshman Class got off to a fine start.

Various activities helped the freshmen gain school spirit. A T-shirt sale and a bake sale provided many funds. The Representatives also planned a "Skance", which was a skating dance, and a canned food drive, in which prizes were given to the homeroom that collected the most cans.

"I think the Freshman Class is great," said Minnie Atilano, "and I want to make sure that all the freshmen enjoy their first year."

America—"Tin Man"

To those who spend their time instructing and educating the leaders of tomorrow, we say "thank you." Students do not usually go to their instructors and say "thanks." It's unheard of! But there comes a time to show our appreciation. We would like to say "thanks." Thanks for your time, your patience, and your help.

Our year was full of memories and accomplishments, like receiving an "A" in our toughest class.

May the future hold many rewarding times for each of you. What are your predictions for the future?

The members of the Board of Education had no time to be bored. In fact, it was a very industrious year for all of them. Not only did they improve the standards of schools, but they made sure each school had all necessities. The Board of Education also provided many improvements to school facilities. For yesterday is but a dream
and tomorrow is only a vision
but today well lived makes
yesterday a dream of
happiness and every
tomorrow a vision of hope

May God bless and keep
 you always
 may your wishes all come
 true
 may you always do for
 others
 and let others do for you
 may you build a ladder to
 the stars
 and climb on every rung
 may you stay forever young
 Bob Dylan,
 "Forever Young"

Do you know where you're going to,
do you like the things that life is
showing you?

Diana Ross, "Mahogany"

If you want to leave
take good care, hope
you have a lot of nice
friends out there but
just remember there's a
lot of bad, beware.

Cat Stevens, "Wild World"

Nothing can match the treasure of common memories, of trials endured together, of quarrels and reconciliations and generous emotions.

Antoine De Saint Exupery

I hope you enjoyed the 1980 Golden Key as much as I did. It took a lot of time and effort from the entire staff to put everything together. We spent a countless number of hours after school, on Saturdays, and at home working to meet deadlines. We tried to represent the whole student body, all sports, and activities. We did our best and feel that this is one of the best (maybe THE best) books Montebello will ever see. We had our share of problems and our good times. It took some time before we chose our theme; we kept changing our minds. Then, there was training the staff, which I truly thought was going to last until the day of our final deadline, filling editorial positions, trying to arrange the sections in a somewhat logical order, and allotting a definite number of pages to each. We lost croppers, found croppers, and then decided not to use croppers. We started out with 4 pica rulers and ended up with 2 1/2. We had "meeting the deadline celebrations" and trips to Foster's for dinner.

We put up with a new advisor. On top of it all, bad moods, good moods, you name it, we had it. Statement from Staff: After you consider all the trouble we went through, if you have any complaints no matter how great or how small, all we have to say is that's TUFF.

To my staff: thanks for putting up with my screaming and hollering. To be truthful, I never thought we would pull it off. Thanks for proving me wrong. We had a terrific year, and I'll never forget any of you. You're all a bunch of "crazies," but I guess that's what it takes to be on staff.

Lots of thanks to Konnie Krislock, our Herff Jones Rep., who pulled us through some rough times. Mr. Antekeler, for catching errors and correcting copy. Pat Marquer, for a great job on the senior section and for being there when I needed a shoulder to cry on. Mario, for just being you. All the editors for your great work. To the rest of the staff, for being there and helping out. And Chris, for doing a little bit of everything. Good luck next year.

I'm going to miss all of you. Thanks for the memories and the friendships. Without all of you, the 1980 Golden Key would not have been possible.

All my love,

Donna Hamutoff

1980 editor-in-chief
